A Note From The Publisher!

Issue #1

Hello All,

I want to thank all of you who have emailed me and text me about bringing the tabloid back. I stepped away due to some personal issues and also starting a new business. I love mail order and it's really my first love. There are a few things I need to let you know **#1** our address has changed. Our **New Address is 3045 South Archibald Ave 232H Ontario, CA 91761**. This is a big change for us we have had our previous address for over 20 years!. I am starting a new chapter in my life and I am doing things different. Many people know I also run an online course business that I just love and I will continue to do that but, I also wanted to add some mailing to my business also. Please understand if you purchased ads in the past and for some reason you didn't get a checking copy we have now solved that with the new online downloadable copy. You can go there each and every month and see the latest issue. I am working with a few mailing houses to test out how they do with making sure you get your checking copies. It's not always my fault if you don't get it sometimes it's the postal service but I try and do the best I can to make sure you get your copy. **#2** I am starting over. Since I know how to manage my own list and handle my own publication I am doing just that. This will be the only mailing that you may receive from me each month so make sure you send in your ads for the next issue. All of my offers that I have at this time will be included so jump on them and make some extra cash. The magic money miracle is doing great so join now and collect \$50 payments!!

Buy One Get One Free!!

One Per Customer Offer Expires 9-12-2020

#3 Some of the ads in this issue are re-prints, I am running your ads again to help fill space and also to help you with the circulation of your ads. Please note I don't exchange ads for this publication. All ads must be paid prior running them in the publication. Please make sure when you send your ads that your address and info is clear and that you include a LSASE for your acknowledgement. I will not be sending any acknowledgements unless you are sending that. Also this publication has been published for years I am just upgrading it and also mailing all of the issues at print. I want to keep it going but that will be based on the level of support that it receives. If you have any questions please email the support team and they will take care of that for you. Publications like this require a lot of money and also time. I am putting the money and also the time now I just need the support from your ads to give it complete lift off. There are so many publications that have come and gone now we are just down to a few. I have been around for so long I just want to make sure that we keep up the good work. Now just a side note I am no longer watching the news so please don't ask me anything political. I no longer support any party. (Some of your letters to me about political things are nice but a waste on me). Thanks to all of the people who have advertised in this issue.

Since I am starting over I am going to start the issues back over at #1 This will help with the confusing files that I had over here. I didn't have a great filing system and we lost our records a few times and so I have no clue on some of the previous issues. Also If you paid for an ad in a previous issue and you feel something wasn't done please reach out to our support team and they will do what they can to make it right. I have been out of the office since March of 2020 due to covid19 so please understand I am just getting back up and getting things started. If you have questions the best thing to do is email support and they will answer all of your questions. I look forward to working with many of you for years to come. To my long time mail order friends like Tammy Adams "hey I'm Back" and to the new friends that I will make welcome let's start on this new journey together.

Until Next Time,

Marcellus McMillian

The Mail Order - *Solution!*

NEED CASH AND STAMPS FOR YOUR MAIL ORDER PROGRAM?

WOULD \$28,100 PLUS... 28,100 STAMPS HELP?

Greetings!

My name is Stan Pratt, and I've been involved in Mail Order for over 20 years and have learned what **works**, and what doesn't **work**. This program is designed to answer the present issues and the **solution** that is needed for Mail Order Success!

As you already know, postage costs have greatly increased over the years and many different cash and stamp programs have been created to off set mailing costs. Most of these programs do not provide enough cash or stamps to make it worthwhile to mail, therefore the response rate is weak and the program fails. In addition to that, many of these programs do not provide a phone number to contact them with your questions: Those that do provide phone numbers are late returning your phone call or simply don't call you! Then comes the problem of getting paid! High monitor fees! Too slow getting marketing kits out! I have addressed all these issues, and that is the reason **why I believe this program will work for you!**

HERE'S HOW IT WORKS: Below are the names of members in Positions 1, 2, 3 and 4. When you join, you will receive a master copy of this flyer with your name in **Position 1**, and 200 Premium Leads on Peel & Stick Labels. When new members join under you, and they in turn sponsor new members, you will receive **MONEY ORDERS MADE PAYABLE TO YOU** as your name moves through each position on thousands of flyers! We forward money orders and stamps **THE SAME DAY WE RECEIVE THEM**. You will also receive a **copy** of the application of the new member that joined under you for your records.

Sponsor 5 that each sponsor 5, through 4 levels and you would receive **\$28,100 PLUS ... 28,100 STAMPS!** **WOW!** Imagine the power of this program! This simple 1 page flyer can make you a ton of money and stamps!
